Affiliate Representative Report

May 2020

The 2020 LPCO State Convention was conducted online 04/13/2020.

The 2020 LP National Convention is to be determined. A final decision is expected within the week.

There is some LPCO discussion of holding a summer convention in which some business items might be completed.

If you haven't renewed your LP national membership or if you haven't joined the national LP, please do. It is \$25 for a year's membership. The LNC needs its wheels greased just like we do. Go to <https://www.lp.org/> and hit the "Join" button.

As Affiliate Representative, I assisted LPCO Campaigns Committee doing follow up with 2020 candidates in El Paso County.

Logan Knab wishes to withdraw as COM2 candidate. Robert Berg will accept nomination to fill that vacancy.

Heather Johnson will accept nomination for Senate District 10.

Larry Knop will accept nomination for House District 19

Warren Price did not submit his acceptance form on time, so we have no JD4 candidate for District Attorney. If anyone knows a Libertarian lawyer in Jurisdictional District 4, please advise.

I delivered original copies of Logan Knab's and Tori Ciralo's Acceptance forms to Angela Leath, El Paso County Elections Office. I observed Tim Campbell delivering his original as I was leaving the county office building.

I delivered original copies of Logan Knab's, Tori Ciralo's, and Tim Campbell's Designation by Assembly forms to Angela Leath, El Paso County Elections Office.

There are 10 candidates for Congressional District 5, one of whom will be recommended by the vacancy committee for recommendation to the LPCO Board.

I emailed CD5 candidate questionnaires to 11 respondents and received 6 completed questionnaires and one withdrawal from Bonnie Davis, who is the Chaffee County Commissioner District 1 candidate. Completed CD5 questionnaires received to date:

Robert Bentley
Ed Duffett
Matt Jensen
Scott Meyer
Jessica Senia

Andrew Rominski
