**August 2021**

If any outreach events need materials from LPCO, the storage trailer is now located at the ranch of Ginger Mabry, 1195 Isabell St, Golden, CO 80401, (303) 881-9127. However, the keys must be obtained from the Outreach Director, Ryan Kane, 1552 Perry St, Denver, CO 80204, (415) 535-3004.

At the next LPCO Board meeting, it is scheduled to vote on the policy manual that was voted down by the previous Board. The discussion should be interesting for those who want to see the streamed meeting.

Public LPCO Board email discussions are available on the [www:lpcolorado.org](http://www.lpcolorado.org) website under "Party Organization" (bottom of the page) and "Exec Comm Discussion." Under "Board Records," you can find Agenda, Board Reports, Committee Reports, Minutes, and Video.

Unofficial communications among Board and membership are now conducted using Discord, making it far less transparent than when such communication was conducted using [lpcolorado.org](http://lpcolorado.org) email accounts. For that reason, the activity on "Exec Comm Discussion" is currently sparse.
